Dear Pastor Wee and SBC-Singapore,

Greetings in the name of our LORD and Saviour, JESUS CHRIST!

My family and I thank God for your faithfulness in supporting us through prayers and financially for the sake of the Gospel ministry. We would like to acknowledge that we gladly received your missions support to us. We continue in upholding our prayers for you and your ministry. May God richly bless you all.

In response to pandemic measures and health protocols implemented by each countries respective government, we are still locked down here in Philippines. For now, while we are in Philippines, we continue in serving God in ways that we can do. And do things in preparing for the next step that God is leading us.

We would like to share the blessings that we received within this past few months. Thank God that we were able to keep up our online meetings with some brethren. And while we are staying in one of Bethany's Prophet Chamber, we were able to have fellowship with some missionaries and students that are also staying in Bethany. We thank God as well that we were able to visit some churches during this time of modified enhance community quarantine here in Metro Manila. Blessing that my wife were able to enroll and finish her online TESOL/TEFL course and were able to gain additional knowledge and certificate that can be useful in the mission field. We thank God for renewing strength and good health for my son and I, this past few days both of us got sick for about several days. We are thankful to God also for some documents that we were able to applied and processed. First is my visa extension application in staying here in Philippines, we are now waiting for the approval and implementation. Secondly is my son's registration and Myanmar Passport Application that needs to be done before he turns one year old, as of now he is nine months old and we already submitted all the requirement in Myanmar Embassy last June and now we just need to wait for about two to three months for their processing and releasing. All of these are preparation that God allows us to do before we enter again in our field.

Kindly join us as we pray for these prayer requests:
