

Dear Pastor and Church

Greetings in the Name of Our Lord and Savior

We praise and thank for your faithfulness in praying and supporting us financially in time like this.

Last February 06, by the Grace of God we were able to visit Philippines again to attend Bethany Baptist Church Makati, for the 66th Anniversary and 20th World mission Conference with the theme 2020 Vision Beyond the Borders, we praise and thank for using Pastors and Missionaries who inspired us to always look up to God and continue to press on and fulfill God's mandate in His great commission.

On February 16, I was re-commissioned as the Lord redirected us from Vietnam to Thailand by Bethany Baptist Church Makati along with missionary Anjelo to Abu Dhabi, UAE.

After arrival from Philippines, I proceed to Surin, Thailand. I praise and thank God for Surin Baptist Church under the Leadership of pastor Sududee for the accommodation and helping me to adjust and learn ways of missions in Thailand, He allowed me to share the Word of God and house visitation to Surin People. Please continue to pray for our visas. In Thailand when we use Asian Visa, we were allowed to stay only for 2 weeks and after that we need to exit and return with limit number entry to Thailand. I thank God before the borders were closed I was able to go back to my family. I am supposed to meet my pastor Nable but it was also postponed due to the situation.

Due to the Covid 19 Pandemic, Thailand government not allowed any foreigner to stay or enter Thailand (without working permit.) The borders between Thailand and Cambodia were closed too.

As right now we are staying in Ratanakiri province waiting as the Lord permit for the border to open again Cambodian government announced to lockdown all schools and some of business regarding to protect from Covid 19, infection. Along with that our new ministry Zion Academy, Ratanakiri were close, but by the grace of God we were permit to gather people lesser than 10.

We pray and thank God for allowed us to minister the word of God every Sunday morning

Up to now, by the grace of God there were no report of COVID 19 infection along the provinces.

As report from Cambodia health department, Cambodia has 122 cases of Covid, and recovered from infection 120, remaining 2 more patients under treatment.

We pray that Cambodia, Philippines, Thailand and other countries as well will reopen again soon. we continue to pray with you as we trust God for the Pandemic situation to be controlled and stabilized.

All By the Grace of GOD to HIM be all the Glory!
