

Dear Pastor and Church,

Happy New Year!

“In every thing give thanks: for this is the will of God in Christ Jesus concerning you.”

We are thankful to the Lord God almighty for the provision, protection and perseverance since February 2020 until now amidst pandemic. Me and my family were thankful to God for His sustaining us in the field during health crises, and being in the field is really a blessing. We’ve witnessed how the Lord sustained us together with the Church staff, School staff, and members of the church both local and foreigner. These are the blessings we had last 2020:

1. More than fifty souls professed to know Jesus Christ as their Lord and personal savior from the learning center and the Church, English club and personal contacts.
2. Seven were baptized and added to the church and they are active in the activities and two transfer of membership from another church.
3. Bethany Satellite Bible school is now in two years of operation and we have 11 Filipino students and six of them are called by God to be a foreign missionary in the near future. Three locals are enrolled at Bethany Baptist Church Makati, two of them are graduating students and one surrendered herself to be a missionary to Taiwan.
4. The ministry of the church like: Christian School, English Club, Soul winning and visitation program which we have for quiet and quite sometimes are so effective and we have few families are attending our Bible studies. The parents of our students in our Christian school are our prospect and they are enjoying the lesson so far.

Please for the following:

1. The ministry in Thu Duc District will be recovered and start another one in the same district.
2. Gospel will preach through our event this month January 29, 2021. Evangelistic Talent Night.
3. Souls will be saved; the students and their parents love one.
4. Baptist on January 06, 2020.
5. Provision for another ministry in district 6.

6. Good health of the church.

7. Campus ministry.

Again thank you very much for your prayer and support.

Pastor John Empleo
