Dear Pastor & Brethren:

Jehovah Shalom!

We are still under lock-down since after our Mothers' Day Sunday Service last May. We had about 10 mothers' in our evening service at Juru and a few first time visitors. Most were Tamil speaking. Bro. Francis seems to have done a good job at interpreting. We started about 20 minutes late as I accommodated the new comers to ferry them to the service. We are still using our faithful 32-year old van which had just had a radiator pump changed probably due to a 2 month idling during the previous lock-down.

None came to our Penang Mission-church Morning Service largely because of the fear of catching the virus. Two attendees were hospitalized for having been infected and thankfully they did not get it from our service else all of us would have to be quarantined. They were successfully treated and discharged and not likely to attend church for a while.

Many of our contacts are cumulatively side-lined economically by the waves of lock-down. We have many requests for financial aid as wage earners lost their jobs. Our Myanmar contacts are also asking for monetary help as prices of food soared in the country. Pray that they may be resilient and wise in their stewardship in using the funds that our Heavenly Father has provided for them as we have very limited funds to help them.

I have no news from Bro. Wing Aung, our Myanmar member who returned to Yangon two years ago. His last communication was just before the military took over and he was requesting for financial help to put up the roofing of the new building which he would use for the ministry as they had out grown their little shack.

Bro. Andrew Khaw, our online Bible student has just managed to communicate with me through Face Book messenger recently. We are still in the process of sending him some monetary gift which he had requested months ago; but the initial gift we sent to him for food was returned to us when the military junta took over. I had just talked to him and asked him to continue his training under Bro. Tung Kham who was sent from Bethany Baptist Church, Metro Manila few years ago. This would be more practical as both are in Yangon, though some distance apart.

Pray that we can get back to conventional service next month. Also that the Lord may bring back His people especially to our service in Penang Island. The missions are helping to support about 30 missionaries on a monthly budget of slightly over RM 2000. Please pray that we can at least maintain this in our next financial year, July '21-June '22.

Thank you for the fellowship in the Lord's great commission,

Teryinho & Jessie.
