

# AN UPDATE OF THE LORD'S WORK

Dear Faithful Mission Partners,

My wife and I are grateful for your continued prayers and investment in the Lord's work in Bangladesh. I didn't send an update for a month, and I am sorry.

My wife was in and out of the hospital. She was diagnosed with pulmonary infections, enlargement of the heart, and other complications, like persistent coughs. She went through blood examinations, x-rays, and medications. Now, I am delighted to inform you that she is tremendously doing well! Praise God for His healing mercy! We thank you all for taking the time to pray for her.

Grace Bible Baptist Church and Ministries went well also. God gave us professions of faith, continued Bible studies, and contacts from our Gospel tracts distributions. God blesses our weekly services in the Capital city, and our mission works in the villages. We will soon start

constructing a place of worship for our Brethren in the mountains when the rainy season stops.

It was also last month that we had our first Pastor's Appreciation Day.

In addition, just this afternoon, God gave us six brethren who followed the Lord in the waters of baptism. Others will follow in the weeks ahead.

Please continue to pray for our permits to obtain an extension of our visas. It has been almost four months since we started processing. Let us continue to ask for the Lord's intervention and have our permits before our visas expire in November.

Thank you once again for the partnership!

Sincerely yours,

Bro. Jun & Paz Manuel
