Christian greetings!

Thanks be to God and all praises to Him for all He's done in year 2022. We do Family Bible Studies, four times a week in different families every night. We do invite the neighbors to join Bible Study and Praise God for souls got saved and the gospel preach every week. Praying that they will grow in the knowledge of our Lord Jesus Christ and His word. We do also soul winning, thanks for the young people that involved. Every Saturday we do extension classes in different areas. Thanks for the children knowing the Lord Jesus Christ as their Lord and Savior. Thanks for the young people that have a commitment. We also did Young People fellowship to keep them close to the Lord. Thanks the Lord for every Sunday services and forty children regular attendance in our Sunday School. In last year February 2022 we did the 8th Extension Mountain Church Anniversary. Thank you to our Mother Church, Pastor Jameson Embao as our, Speaker and behind us in the Ministry.
