

Dear Mission Partners,  
Greetings from Laos!

Thank you so much for all your prayers and financial help here in Laos. Indeed, your partnership bear spiritual fruits in the mission field. Our children are growing and helpful in the ministry, especially in music and young people's ministry.

Our main church in the Capital City resumed our face-to-face gathering after a long country's lockdown.

Our 4 extension churches in different provinces are doing great, they never stop even during the pandemic, knowing that Covid infection spread rapidly mostly in big cities that are close borders with other countries.

One of our bible students got married month of February 2022 and Pastor Phan our second extension pastor solemnized the wedding. It's a joy to see our people that they can do now the ministry by His grace.

Praise God for the calling and for giving us strength and wisdom to do His will. To see the fruits that we planted many years ago gives us joy and happiness. All for the glory of our Savior Jesus Christ who enable us and trusted us the ministry here in Laos. We bring back all the glory to God!

In our second extension church, they started to extend the church building to accommodate the rapid growth of children that join the Sunday school; men and women did the constructions. Our main church in the Capital city provides carpentry tools and helps the financial needs. Thank you once again for the partnership in prayer and financial help.

In Christ,  
Missionary Jamin Roderer and Family
