Dear Pastor Yan Wee and the Church!

Salutes in Christ from HaNoi VietNam.

Thanks to God for this time we could have to write a report for His Ministry in HaNoi VietNam. The last 13 months (since November, 2020) have been the most challenging times in the ministry for HaNoi and my family.

After the persecutions from the Authorities, we ran from them to a certain village. We kept conducting the services and worships, winning souls, sharing the Gospel to Mr. Chien, Mr. Ngoc, Mr. Tuan Anh, Ms. Hoa, and to many lost souls, equipping the members with the Word of God in the Church here.

In facing these situations, many times we did not know what to do next, then we sought His face and will through prayers.

I am so thankful to God, we counted all things that happened as a test to try our faith. And our faith has increased incredibly, the members using this time to study more of the Bible. We grow in the knowledge of the Word. This December my son got covid-19, and thanks unto God for giving him healing. He is five years old. We sent him to my sending Church in HoChiMinh City. Last March, my wife also gave birth to a baby boy, it is our third child in the home. We're so glad to have one more heritage of the Lord!

The Lord also touched the heart of my parents in law to give us 1 billion VND to buy a house in HaNoi. They advanced us to buy a house for 2.63 billion, and promised to give us one more billion in addition.

In total, they paid 1.5 billion for the house. This is a very big blessing for the ministry in HaNoi. Now I can say that no one can kick us out from our own house in HaNoi any more.

Because of this right now we have more than 1 billion in debts in the banks. Please pray that my parents in law will fulfill their promises to give us the money so that we will be able to cover up the debts.

We praise God for the provision.

When we look back we are so thankful to God for using us still in the ministry faithfully.

And as we look forward to the days ahead, we know that there shall be a whole lot of challenges, trials, even temptations. And here is my prayer to God to teach us to be faithful and more faithful to Him in the Work and in obeying His Mission.

Thank you so much for your support faithfully for us and your financial gifts as well during the pandemic! The Lord has wonderfully met our needs. We couldn't reach this far without your hands of giving for our Lord's Mission. We are so thankful!

Pray God to bless you more with a year to be coming and to protect you there in the precious name of our Great Lord and Saviour Jesus Christ. Amen!

Missionary Jonathan Le Van Phong and the Family in HaNoi VietNam.

P/s: Please forgive me of my bad for not reaching you sooner with the report for our Lord's Mission in HaNoi VietNam. Thank you!
