4th Quarter Newsletter 2020

Dear Pastor Yan T. Wee and Church Family,

We greet you in the precious name of our Lord and Savior Jesus Christ.

It may be that 2020 was not so bright to all of us. A lot of challenges we faced in our work, businesses and even in our church ministries. All we could see were shades of black in life...But I remember Psalm 23 reminds us that with God in our lives, we lack nothing. He makes us to lie down in GREEN PASTURES...The best is yet to come for those who continue to trust in Him. A blessed & fruitful 2021 to all of us!

Below are our update and prayer requests.

- 1. Our house rental contract for 2020 in Pakse (for Bethany Language Center) has been expired. The landlady asked us to remove all things. Thankful to our homeboy, Mr. Khamdeng with his friends who did a very good job to transfer all school's stuff and our things and store them in one room that we were able to ask our landlady. Please pray for God's provision for the rental cost for 2021.*
- 2. All papers and license for Bethany Language Center, including our VISA have been expired. Please pray for God's provision to start it all over when we are allowed to return.*
- 3. The building for new auditorium with two bedrooms of Bethany Baptist Mission in Mondulkiri has been completed. We just need to clean up and do some decoration for the building. Please pray for a new pastor to take care of the work when we return to Laos.*
- 4. Last but not the least. Please pray that our children would have a proper education in a registered school. Esther is going to be 11 in April 22. Rachel is going to be 9 this January 15. Alinah is going to be 6 in May 22. And Nathan is going to be 4 in May 14. We considered to register Esther and Rachel in a school in Cambodia but still praying. But however, we do not want them to stay away from us. Please include this in your prayer.*

Dear Pastor and Church, we are very grateful for your unceasing prayer and financial support in year 2020. You have played a very important role in our life and ministry. We are looking forward to a brighter hope in this year 2021 as He promised in Jeremiah 29:11, "For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end".

May the Lord continue to bless and use you all for His glory and honor in 2021!

Your Partners,

Srim Sara & Family
