Church Ministries

A very encouraging last quarter of year 2022!

Irene (wearing glasses) and

Charlene are students in a tuition center run by one of our

members. It is located in a small town 50 km from the church. They had opportunity to hear the Gospel shared by the teacher, Irene received the Lord on 19th Nov. 22, whereas Charlene was saved in 2021. Our prayer is that they make effort to follow their teacher to church.

For many years, God has always provided a pianist for our congregation singing. When Wendy and Chanel moved out of Melaka to study and to work respectively, we are blessed to have **Dawn**, a competent pianist, filling the void. Dawn is a regular visitor who would drive 2 hours to worship together with us every Sunday. Her search for an Independent Baptist Church

has brought her here. What a blessing she has brought to our church!

Learning Center

Due to the covid-19 pandemic, we did not have awards ceremony for two years. As the restriction began to relax, we held our graduation and awards celebration on 30th Dec. 2022. It was well attended by the parents. They could hear students' testimonies, Scripture reading, Bible story, hymn singing etc. We hope the non-believing parents are now more receptive of the Gospel.

Wan Hui, a student in her 8th grade was saved in Oct. 2021. For the last one year, she has been attending our

church regularly, and was very willing to help out in church and in school. However, the parents do present occasional disruption to her church attendance when they want her to join them on Sunday activities.

Actually, if not for parental objection, many students would have received the Lord as their Savior. Religion is a BIG obstacle preventing precious souls from receiving the Gospel of Christ. We will continue to preach the gospel regardless of result. We sow the seed, and let God gives us the increase in His time.

Galatians 6:9 And let us not be weary in well doing: for in due season we shall reap, if we faint not.

Family

Despite five doses of vaccines, the most recent was taken in mid Dec. 2022, my wife and I contracted the covid on 3rd Jan. 2023. What a unfortunate start to the new year! At the time of this writing, I have not fully recovered from the disease, and have to be quarantined at home.

In my absence, our church members preached on my behalf.

Prayer requests:

1. Someone to be trained for pastorate in church
2. Someone to be trained as senior supervisor of the school
3. Salvation of visitors and students.
4. Renewal of VISA in 2024.
