

Pastor Yan Tee Wee and SBC partnering with

THE CAOILI FAMILY

4TH QUARTER 2022

lindseycaoili@gmail.com

IT'S TIME TO GO!

As borders open up and Covid protocols are easing, we know that the time to return to the field is at the forefront. We would like to let everyone know that we are directed to based ourselves in Kathmandu, Nepal. Initially, we are praying to settle at the India-Nepal border, but my student application was denied twice. Our target people group- the Tibetans are in Nepal as well. With this change, the Lord led us to Asian Grace Baptist Church of Singapore to be our sending church pastored by a Filipino friend- Pastor Nap Cajipe. By the grace and provision of the Lord, we are scheduled to fly on March 6, 2023 via Singapore and attend our sending church's annual church anniversary and missions conference. We will be formally commissioned by the church then and fly out to Kathmandu, Nepal on the 21st of the same month with my sending Pastor.

RECEIVED SUPPORT

YEAR TOTAL : ₱14,288.00

Thank you so much!

This will be another adjustment for my family but we believe that as the Lord sustained us in China for 13 years, He will do the same in this new field. As for the brethren in China, they continue to serve the Lord. They have been continuing their services through the leadership of Bro. Wailuek Wu during the pandemic. Lord willing, when the gates of China will loosen up and the Lord would give us an opportunity, we will return and visit the brethren to encourage them.

The last quarter of the year have allowed us to speak in missions Conferences and anniversaries. We are thankful for the Lord's traveling mercies and intervention in those meetings. I'm thankful especially for my wife and children as they patiently ignored the long travels and ministered with me even when they are not feeling well. I praised God for the opportunities for my wife to minister to the ladies and my kids preparing Christ-glorifying songs before the preaching. We thanked the Lord for new developed partnerships and the privileged of ministering to churches in the promotion of world missions especially about the unreached Tibetans of Nepal. During the holidays, we are thankful to the Lord for the opportunity to speak to some of our family and relatives about the Lord. Ultimately, only the Lord knows the true results of all the meetings we have joined and participated in.

I thanked the Lord as well for the privileged of attending the Preacher's Camp in High Acres Camp in Sablan, Benguet. During the meeting, I was approached by a young man and told me he got saved at Youth Camp 2022 which our Church then hosted. Later during an invitation, I had a chance to pray for him as he surrendered His life for foreign missions. The Lord continues to call men, young and old, to his harvest. May we continue to pray and be involved in World missions. Thank you so much for being a part of our lives and the partnership that you do for the sake of the Gospel and our Master Jesus Christ.
