Joshua 1:9 *Have not I Commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee Whithersoever thou goest.*

Dear. Pastor and Church Family,

Thank you for your partnership in prayer and support.

Early November, we have had 32 people that followed Christ in baptism. To God be all the glory. ***Praise the Lord.** I thank the Lord for the souls that accepted the Lord Jesus Christ into their hearts as their God and Savior.

***Praise the Lord for opening the door for me to have my furlough** and at the same time I will have to renew my visa in Thailand. I arrived in my country Cambodia on the 18th November 2022. Thank God for my safe trip and His protection over me. I didn't really plan to come back home but I know it was really God's plan for me because I have been praying so long for God to direct my path and He did just on time for His glory and His purpose.

***Praise the Lord for the blessed time that I had visiting some churches in Cambodia** that have been faithful in supporting my ministry in South Africa and the privilege to share my testimony and to give a report of what the Lord had done there in the mission field. I thank the Lord for the people that got encouraged and challenged after I shared it. They could see how God has been good and how God changed people's hearts to follow Him. Some became His faithful servants and bearing fruit. God is good.

What a good report I have received from Pastor Badgett and Ma'am Laura about one of my fruitful students back in South Africa. Her name is Fortunata. She continues doing good work there in the field. She is a faithful soulwinner for Christ, I'm so proud of her and blessed. Other than that Ma'am Laura and Pastor Richard Badgett is doing a great job with our young people and our students there too.

It is good to get to see my mother and my brothers here in Cambodia, and our partners in the ministry. I still need to

take my mother for a checkup sometime after she has fallen down previously. I will need to travel to Thailand to submit my application to renew my visa and I also plan to visit some churches in the Philippines.

-Please help me pray for my safety while travelling around.

- Please pray for my visa to be approved and my needs. Please pray for my mother to have a good result on her checkup.

- Please pray that I can have a van for transportation, it would be helpful to the ministry there in South Africa.

- Please pray for my ministry in South Africa to continue to grow and be fruitful.

The Sunday school teachers that I have been trained are doing a good job now for the Lord and teaching to their own people. God is good!

Thank you for all your prayers and your sacrifice in giving to the ministry in South Africa. You are a blessing. I am praying that God continues to bless you, your family and your ministry.

For souls,

Yon Srey Yan to South Africa
