October-December 2020 4th quarter newsletter

Dear Pastor Yan T. Wee and Church,

Fourth quarter slipped by quickly and before we knew it, a new year has arrived. Nevertheless, the LORD has been good to sustain last year amidst of the pandemic. Here are the blessings during the last quarter of 2020.

Hanoi

1. Success of the church anniversary during the last Sunday of December. It was a blessing to see the Vietnamese young people involved actively in preparation for the anniversary, participating in choir and other things. Most of all, it was just a huge blessing to see the young people's deep desire and hunger for the Word of GOD.
2. Success and Sustenance of the Year End of Fellowship of the educational ministry (Stellar) in Hanoi. The presentation of the children and fellowship with the parents was a blessing. The LORD has blessed us with 18 students to minister to and it's just joy to see them grow in the Word Of GOD.
3. Music Ministry and English class started and on-going.

Saigon

1. Success of the church anniversary last November. We are blessed to have the Vietnamese young people attend the anniversary in Saigon.
2. Sustenance of the children's ministry in Binh Tan. Grateful that even with the pandemic going around, the children's ministry kept going. All kids are safe, healthy and growing in the Word of GOD.
3. Sustenance of the educational ministry, safety of the students and staff from the pandemic, and provision from the LORD in countless ways in spite of the situation.
4. Safe flight going back and forth Hanoi & Saigon since June.
