Joshua 1:9 *Have not I Commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee Whithersoever thou goest.*

March, 2022

**Dear. Pastor and Church Family,
Thank you for your partnership in prayer and support.**

As a result of training our Sunday School teachers, we have six to seven of our young people that has started teaching and helping in Sunday School classes. Our young people are helping during the evangelism program, helping in the church before the church service starts and also in the other areas in the ministry where they can help. Praise the Lord for the fruit of their salvation.

These young people got saved and got baptized in our church, and now they are doing something good for the Lord, and that has proven to me yet again that our God is good. To watch them teaching and serving the Lord together has blessed my heart, because I got to see the fruit in the mission field that God has given to us.

I got inspired by our young people who are choosing to be faithful and giving their time to serve the Lord in our church and being a blessing to God's ministry, and even others. We just recently had a family fellowship and it went well. We all worked together as a great team with a heart of a servant. Some were cooking, others were serving food for the children and adults. Our young people were very helpful to us, and assisted us wherever they could.

Other than that, our young people and children are involved with inviting their family members, parents and friends to church.

Prayer Request:

1. Wisdom/ health/ Protection

2. More churches to partnership

3. Visa renewal to be approved

4. More music instruments

5. God's protection over my family in Cambodia.

The great things resulting out of that is that their parents, mothers, aunts, uncles, brothers, sisters and their friends came to church; and most importantly they accepted Jesus Christ as their God and savior. That is a blessing. Praise the Lord!

Some of the mothers that we ministered to participated in bible study and even discipleship lessons, because we have a good relationship with them through their children, and this way we were able to reach out them too. I thank the Lord for the provision that He gave us and showed us step by step each day what He wanted us to do. God is good!

I thank the Lord for these mothers, and ladies in our church and that God is giving us the opportunity to invest in their lives about eternity and our Lord and Savior, Jesus Christ.

Please pray for them to grow spiritually and to increase their faith.

About a month ago, one of our young people, his name is Mpendulo, has asked pastor Badgett if he could lead the songs in our church and pastor has agreed to that. Of course, we would be happy to see more young people willing to use their lives to server the Lord!

It shows us that they are challenged by the other young people who are serving the Lord in our church, and they also want to do the same thing as their friends. Also, we can see that God has answered our prayers because we believe that God is the one who works in their hearts.

Thank God for His fruits that He allows us to see and the joy that it brings. All the glory to God, and praise be to His name. Please continue to pray for these young people and our children to be faithful and fruitful, and more souls to be saved.

Please pray for my visa to be approved. Please pray for more music instruments, and God's protection upon us here in South Africa and my family in Cambodia. Please pray for more churches to partnership with.

Thank you for all your prayers and your sacrifice in giving to my ministry here. You are a blessing. I am praying that God continues to bless your family and your ministry more.

For souls,

Yon Srey Yan to South Africa
