The Pastor's Desk By Pastor Wee

Shortly, we will be having our Mission Conference with 4 missionary couples with us. We will try to immerse them with our brethren through the BSC gatherings, the Sunday School and Service, and the weekdays outings. Let us make use of this rare opportunity to extend our right hand of fellowship to these pastors and missionaries, and be a blessing to them.

Our church camp is around the corner in December. The annual camp is a time of focused learning for some specialized subjects, the meaningful fellowship with our brethren, and the new people immersing with the members. It is always a one big, joyous, family gathering around the Word and with one another. Let us invite someone to join us for the gospel's sake.

We appreciate the folks that never cease to have the vision of winning the lost by inviting their lost friends and loved ones to church. A church that has lost that vision will fossilize and fold up eventually. Let us spend time with God, be filled with His Holy Spirit and love, and reach out to the lost patiently. We thank God for the new visitors and for the workers in the Visitor's Department that seek to be a face of the church by reaching out to them.

We are now in the final stage of the purchase a unit in Lam Soon. We thank God for Pastor Christian, our church administrator James, the trustees Andy and Jason, and the external

legal department in setting up the new company under the church. We will notify the church once the purchase is complete.

The working calendar for 2026 is about done as we prepare ourselves for the coming year with the populating of our programs: BSC, tracting, youth fellowship, young adults fellowship, children ministry, etc. We appreciate all the ministry leaders for their input.

We are preparing to review and establish a more comprehensive church constitution in the coming 2026 AGM. Some of our articles of faith need further consolidation and others need to be introduced in view of the ongoing doctrinal deviations. We plan to drive the stakes deeper and to set up a stronger doctrinal fence to protect the church from possible future attacks on the Bible's demands for the church. There will be teachings over the pulpit for the articles of faith, opportunities for discussion during the weekdays, and above all, the need for earnest prayers and the unity of the church to achieve this permanent, protective perimeter for the future generations. We don't want a future pastor to introduce CCM music, Calvinism, Evolutionism, or KJV also instead of KJV only to the church.

Shalom's Vision

Shalom Baptist Church is a church where our first love for God is our first work; where our Christianity is a relationship rather than a religion; where the lost and foreign mission are our constant care; where the purity of the gospel truth is jealously guarded and taught; and where our membership is, in essence, stewardship. We are fundamental in our belief, evangelistic in our outlook, and loving, as we have been taught.

Above all, Shalom is a church where the last word of our Lord Jesus Christ is our first command:

'All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen.' (Mt 28:18-20)

Dear Pastor Wee Yan Tiong and Shalom Family,

3rd Quarter Newsletter 2025

"The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance." - 2 Peter 3:9

Warmest greetings from the mission field - La_s. Our previous letter we mentioned our plan regarding moving to a new working place to obtain visa and working permit for the 6 of us.

Thank God for the smooth transition. God has granted us a great favor in providing the visa and working permit for all of us. It brings a big smile, especially to our 4 children's faces that they will no longer take a tiring exit to the borders every month. Glory to our gracious God!

Another joy is about sharing the only true one-God and Savior to a brother, named Kim. He has returned from working abroad and God gave us a chance to meet him. He has a deep knowledge about many religions and the gods of this darken world. After hearing the good tidings of the true one-God, his heart was softened and very attentive. But needed more time for decision making. As opportunity arises, we sow the SEED of the WORD.

Bro. Kim, in the middle

Another opportunity. I was able to bring God's Word to both foreign teachers and Lao staff at the new school I am connected with. **"Who is Jesus to you?"** is the topic I shared. One foreign teacher expressed his appreciation for the message after the meeting.

Sharing the Word at a school

A rare-opportunity. I was invited by a Lao local pastor to preach God's Word in a district, 70km from Pakse. Foreigners are not allowed to preach. It is a big NO NO, especially preaching to the local people. Our four kids rendering a special number before I preached in their local language. Thank God for meeting the need of those people through His Word. A good number have expressed their hearts to God through prayers. The majority of the people here are the ethnic groups. A day after, one guy told me that I must be very careful when preaching in La_s, because one man has been imprisoned.

Invitation & altar prayer

Our dear missions partners, please continue to uphold us in your prayers: 1. More doors of opportunity to share the gospel, 2. The seed of the Word will grow in the hearts, 3. Wisdom and awareness while doing the ministry, 4. Homeschooling of our four children. 5. Financial provision to start our own school.

We deeply grateful for our partnership in world evangelism. May the Lord continue bless our endeavor.

Together for the Harvest,

Srim Sara & Family (field of La_s)

Dear Pastor, Church Family, Prayer Warriors, and Friends:

I want to share with you a personal update on my health and the work of the mission.

Last January 2025, my MRI with contrast revealed malignancy of the prostate. Despite medical advice, I continued in the mission field because of graduation activities and the ordination of two pastors. By God's grace, these two men are now faithfully starting a mission in their village. We also established the Baptist Mission Partner of Congo, uniting the Baptist churches started through our ministry so that they might work together in supporting new mission endeavors by sending village missionaries to preach the Gospel.

The ministry has not been without trials. War erupted in the eastern part of Congo, affecting our churches in Uvira and Kalimie. Our missionary, Gustave Mukeba, along with his family, had to leave their home suddenly and relocate to Lubumbashi. After two months there, he has now begun a new ministry in Sakania Border, where the Bible study group is growing. He wrote to me that they are in need of more chairs as the meeting place fills with people hungry for God's Word. Please pray for him as he starts a new ministry. My wife and I desire to visit this work, Lord willing, by January next year.

Meanwhile, in another area of eastern Congo, God graciously spared the ministry from the rebels. Missionary Junior Mpiana was able to build a church building, and the congregation continues to grow as many have been baptized and added to the fellowship. To God be the glory!

On the personal side, I had a repeat MRI last July, and once again the result confirmed cancer. As a human being, I admit that I felt disappointed that my condition had not improved. I was advised not to return to the mission field and instead to undergo treatment. At present, I am taking medicines and monitoring my condition, but ultimately, I have surrendered it to God. There are days when I feel faint, weighed down with the reality of cancer and the pressures of ministry, and even the weariness of burnout. Yet, in those moments, I am reminded of the sustaining grace of the Lord. His promises give me strength to stand, and His Word is my refuge.

My wife and I talked about returning this November, but she lovingly counseled me to finish the last chapters of the book I am writing and have it edited before we go. She reminded me that once we are back in the mission field, the demands of ministry will leave me little time or strength to write. I agreed with her wisdom, so I am focusing now on completing the book while praying for renewed strength.

Our plan, God willing, is to return to the mission field by January 2026. Please continue to pray for us as we prepare. When God gave me back my life during my first heart attack, I made a promise that I would give Him my remaining years in the mission field. That vow still burns within me. Though my body feels weak at times and the weight of sickness and burnout press heavily, the Lord's sustaining grace continues to uphold me. As the Apostle Paul testified, "My grace is sufficient for thee: for my strength is made perfect in weakness" (2 Corinthians 12:9).

Dear friends and fellow laborers, I covet your prayers for healing, strength, and sustaining grace. Pray that in my weakness, Christ may be magnified. Please remember our missionaries who are serving faithfully under difficult and dangerous circumstances. Also pray for me as I share the message of missions with churches here in the Philippines and abroad, that God would grant me wisdom and strength even as I undergo treatment. Pray for my wife and me as we continue to press on, that the Gospel may advance and Christ be glorified.

Thank you for standing with us through your prayers and encouragement. Truly, all glory belongs to the Lord who sustains, who saves, and who sends.

In Christ's service,
