

Friday, 13<sup>th</sup>. May, 2022

Dear Pastors and Brethren:

We praise God that since the beginning of this May most pandemic restrictions has been lifted. This enables our non-vaccinated attendees to return to our conventional service and two should come this coming Sunday.

We had two candidates for baptism, Bro. Alan & Gideon on May 1<sup>st</sup>. Thank you very much for praying for these two young men. I had spent much time answering questions regarding salvation, baptism, church membership, refuting replacement theology, and teaching the pre-eminence of Christ in the local church. Bro. Gideon has accepted our position on the pretribulation rapture of the Church & New Testament saints though he still has much to learn regarding the details. Please continue to pray for Gideon as he seeks the Lord's direction when his job contract with the government expires in June. He hopes to find a job within the Penang state as he is concern about working in some place where he cannot find a scriptural church nearby. He had looked all over Penang and attended nearly 10 churches before he found us and he knows it is hard to find a faithful church.

Bro. Alan, the other candidate has been with us 8 years, since his high school days. He is still living with his parents who are very much against his baptism. Please pray that he may be able to win them. He works as a barista and is doing courses to switch to technical line.

Last Sunday was our Mothers' Day Sunday. We had five mothers in our Morning and seven in the Evening Service. Most of our evening attendees are Tamil speaking and though a few have professed faith, they have yet to be faithful. They are mainly low in literacy and are casual wage earners. Please pray that they may obey the Word and show the fruit of a Christian life.

We will be having our last quarterly meeting this 22<sup>nd</sup> to approve our support to our 20+ missionaries. Then we will have our AGM in July and a time to work out our annual budget. These are challenging times for our little flock to exercise our faith in fulfilling the Great Commission.

Thank you very much for prayers and support,

*Teryinho & Jessie.*
