**Dear Pastor Wee and SBC-Singapore,**

Greetings!

As we welcome new year we would like to update you on what we have been doing this past few months before year 2021 ends. Thank you Pastor, family and Church for your faithful prayers and support to us and the ministry in Myanmar even on this challenging time. Our prayer is that God will bless you with protection, provisions and God's presence as you keep on serving the Lord. To God be the glory!

### **Blessings:**

1. We thank God for the success of one day Pastor's Wives and Ladies Seminar coordinated with Grace Baptist Bible Church, Yangon, Myanmar under Pastor Hau Za Kap via zoom with the topic about "A Women's Strength and Her Worth in Ministry" with our guest speaker, Ma'am Mary Selva last December 04, 2021.
2. We thank God also for the success of our first batch in our LET (Learning English Together) class and graduation last December 11 both for Beginner level under my wife Ma'am Faith and Intermediate level under Ma'am Mary Selva. Most of them heard the gospel and some got saved during the class.
3. We thank God for Myanmar Embassy for informing us that our son Nehemiah's passport has been approved and for releasing.
4. We thank God for my brother Hlaing Htoo who was detained by the military on January 4 for his safely released last January 13, 2022.
5. Privilege to bring God's word to some churches, bible studies via zoom in Myanmar.
6. Opportunity of my wife to share and teach to the children in her birthplace last December 24, 2021. About 40-50 children were gathered and heard the gospel message and there are those who followed the sinner's prayer.

### **Prayer requests:**

1. More souls be saved through preaching and bible study via online.
2. Discipleship program with Bro. Win Aung and family.
3. Long term visa approval for my wife Faith and the right time to apply for the relief flight at Myanmar Embassy Manila going back to my country.
4. Pray that the rest of my relatives 24 men detained by the military will be release safely.
5. Peace and order for Myanmar. As of now military is killing their own people.
6. Good health , wisdom and God's power as we continue on serving God.
